## Website Privacy Policy

Whitegrove Football is committed to keeping your data safe. This document provides information on when and why we collect your personal information via this website and how we keep it secure.

## Cookies

Cookies are used to monitor website traffic. We use a third party service, Google Analytics, to collect standard internet log information and details of visitor behaviour patterns. We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. We do not make, and do not allow Google Analytics to make, any attempt to find out the identities of those visiting our website.

## How we use your information submitted via this website

When you contact us via our website to make an enquiry your name and contact details will be emailed to the appropriate contact within the club. Contact details will only be used to respond to your enquiry. See our full [GDPR statement](#) for further information about the personal data we hold
